

# Investing for Success

**Under this agreement for 2017  
Greenvale State School will receive**

**\$19,440\***

## This funding will be used to

- Increase the percentage of students from Year 1-6 achieving a 'B' standard or above in mathematics from 50% in 2016 to 60% in 2017.
- Increase the percentage of students from Year 1-6 achieving a 'B' standard or above in English from 30% in 2016 to 40% in 2017.
- Maintain the percentage of Prep students able to read and comprehend short, predictable texts and compose and record short, meaningful sentences of 100% in 2017 at the reporting level of 'Working With' or better.
- Every student accessing a different year level curriculum (that is, with an Individual Curriculum Plan) will achieve a 'C' standard or better against the relevant year-level achievement standard.

## Our initiatives include

- Provide professional development and coaching to deepen teachers' understandings of the Australian Curriculum: mathematics learning area and provide targeted and scaffolded instruction to secure highly effective first teaching of essential mathematical concepts and skills in every classroom.
- Embed a shared understanding of 'data literacy' and support teachers to effectively use data to inform targeted teaching.
- Revisit, refine or revise the School Pedagogical Framework and embed it as the shared language of teaching and learning.
- Provide focused and intensive teaching targeted at 'C' students in order to improve the quality of their demonstrations of learning against the relevant year-level achievement standard.
- Increase teachers' repertoire of effective strategies for teaching text processing and comprehension across learning areas or subjects.
- Implement the Remote Kindergarten Pilot Program for 25 hours per fortnight.
- Provide education for parents of pre-Prep students to support the development of oral language and early literacy and numeracy skills at home.

## Our school will improve student outcomes by

Action	Cost
Upskill teachers in the use of OneSchool so that all teachers are using the developmental maps, markbook, diagnostic assessment, Individual Curriculum Plans, differentiation placemat, and dashboard functionality.	\$300.00
Implement a whole school approach to teaching writing and reading.	\$2000.00
Provide professional learning for teachers to provide effective first teaching of essential mathematical concepts and skills.	\$2000.00
Purchase Teacher Aide hours to support student learning for literacy and numeracy.	\$15,140.00
